2024 Presentation
GLAZED OUTDOOR CERAMIC POTTERY

Dear customers,

Thank you very much for spending your valuable time viewing our latest 2024 Catalogue For [Indoor Ceramic Pottery](#) Collections. You can select different pots not only from this catalogue but also from our other catalogues to ship or consolidate in a same container providing that the MOQ (Minimum Order Quantity) per item per color is met or adapted.

The high season period for ceramic pottery production in Vietnam is regularly from August to January. For this 2024 season, we would like to receive the orders before August 1st, 2023 so that we can have the shipments done before Chinese New Year (Tet) holidays, which falls in middle of February 2024. Otherwise, the orders may have been shipped in Spring 2024 (April/May 2024)

Please make your selections and send us your order(s) ASAP so that we can produce and ship them before our TET holidays.

For any further information and inquiries, please contact us from the below contact information.

Best regards,

Net Nguyen
