2026 POTTERY CATALOGUE Vietnam's Mekong Terracotta Pottery

Established in 2001, **Vietnam Pot Co., Ltd** is a supplier of **Home and Garden Ceramic Pots and Planters** in Vietnam.

We ship the best quality products with proper labeling, packing, and consolidations...at our customers' requests.

Our main markets are the **USA, Canada, and Europe**. We ship the full container load (FCL) directly from Vietnam to the customers' stores and warehouses under the term of **FOB Ho Chi Minh City, Vietnam**.

Mekong terracotta products are fired at approximately **1,690 F (equal to 900 C)**. These terracotta pots can be used for outdoor but not completely with frost proof advantage. For Winter safety uses in North America and in Europe, it is recommended that the pots should be moved inside or placed outdoor under roof (to avoid snow and ice). As a compensation to frost-proof issue, the clay and soil in Mekong River Delta area produce very nice and beautiful looks on the pots and planters, which can be viewed and seen in each photo of this catalogue.

We herewith present the most updated catalogue of **Terracotta Pottery Made In Mekong River Delta, Vietnam**. We hope this product category can get interests from our customers.
